Syllabus

General Physics (2)
普通物理學（二）
Spring 2013

Instructor:
Prof. Tse-Ming Chen (陳則銘) Office: 物理二館 49214
E-mail: tmchen@mail.ncku.edu.tw
Office hours: Tuesday 9-10am or email for an appointment.

Description:
This course provides a thorough introduction to the principles and methods of physics for students who have good preparation in physics and mathematics. This course covers electrostatics, electrodynamics, geometric optics, and quantum physics.

Textbook:

Requirements:
Homework will be given approximately every two weeks and is due the following week before the lecture. Solutions will be posted in http://moodle.ncku.edu.tw/ after the homework is handed in.

Grading:
Homework: 20%
Midterm examination: 40%
Final examination: 40%

Feedback:
If you have concerns about the course or ideas about how to make it better, please do not hesitate to let us know immediately, either in person or by e-mail; no question or topic is too small.
